Beatles, Something (harrison)

Beatles

Something (harrison)
Something in the way she moves
Attracts me like no other lover
Something in the way she woos me

I don't want to leave her now You know i believe her now

Somewhere in her smile she knows That i don't need no other lover Something in her style that shows me

Don't want to leave her now You know i believe her now

You're asking me will my love grow I don't know, i don't know You stick around now it may show I don't know, i don't know

Something in the way she knows And all i have to do is think of her Something in the things she shows me

Don't want to leave her now You know i believe her now
