Sweet Little Sixteen(berry)

They're really rocking in boston,

In philadelphia pa,

Deep in the heart of texas,

On down the frisco bay.

All over saint louis

And down in new orleans.

All the cats want to dance with

Sweet little sixteen.

Sweet little sixteen,

She's just got to have

About half a million

Framed autographs.

Her wall is filled with pictures,

She gets them one by one.

Becomes so excited,

Oh watch her at the run boy.

Oh mommy mommy,

Please may i go.

You know it's such a sight to see

Somebody steal the show.

Oh daddy daddy,

I beg of you.

Please say it to mommy

It's alright with you.

Sweet little sixteen

She's got the grown up blues.

Tight dresses and lipstick,

She's sporting in high heeled boots.

Oh but tomorrow morning

She'll have to change her trend

Become sweet sixteen

And back in class again.

They're really rocking in boston,

In philadelphia pa,

Deep in the heart of texas

And down the frisco bay.

All over saint louis,

On down in new orleans.

All the cats want to dance with

Sweet little sixteen.
