Beatles, Tell Me What You See

(Lennon/McCartney)

If you let me take your heart I will prove to you We will never be apart if I'm part of you Open up your eyes now, tell me what you see It is no surprise now, what you see is me

Big and black the clouds may be, time will pass away If you put your trust in me I'll make bright your day Look into these eyes now, tell me what you see Don't you realise now, what you see is me Tell me what you see

Listen to me one more time, how can I get through? Can't you try to see that I'm trying to get to you? Open up your eyes now, tell me what you see It is no surprise now, what you see is me Tell me what you see

Listen to me one more time, how can I get through? Can't you try to see that I'm trying to get to you? Open up your eyes now, tell me what you see It is no surprise now, what you see is me
