A taste of honey

A taste of honey... tasting much sweeter than wine

I dream of your first kiss and then
I feel upon my lips again
A taste of honey... tasting much sweeter than wine

Oh I will return, yes I will return
I'll come back for the honey and you

Yours was a kiss that awoke my heart
There lingers still, 'though we're far apart
That taste of honey... tasting much sweeter than wine

Oh I will return, yes I will return
I'll come back (he'll come back) for the honey (for the honey) and you
