

Beatles, The, Here, there and everywhere

Beatles, The

Revolver

Here, there and everywhere

To lead a better life, I need my love to be here

Here, making each day of the year

Changing my life with a wave of her hand

Nobody can deny that there's something there

There, running my hands through her hair

Both of us thinking how good it can be

Someone is speaking but she doesn't know he's there

I want her everywhere

And if she's beside me I know I need never care

But to love her is to meet her everywhere

Knowing that love is to share

Each one believing that love never dies

Watching her eyes and hoping I'm always there

I want her everywhere

And if she's beside me I know I need never care

But to love her is to meet her everywhere

Knowing that love is to share

Each one believing that love never dies

Watching her eyes and hoping I'm always there

To be there and everywhere

Here, there and everywhere
