

Beatles, The Night Before

(Lennon/McCartney)

We said our goodbyes, ah, the night before
Love was in your eyes, ah, the night before
Now today I find you have changed your mind
Treat me like you did the night before

Were you telling lies, ah, the night before?
Was I so unwise, ah, the night before?
When I held you near you were so sincere
Treat me like you did the night before

Last night is a night I will remember you by
When I think of things we did it makes me wanna cry

We said our goodbye, ah, the night before
Love was in your eyes, ah, the night before
Now today I find you have changed your mind
Treat me like you did the night before

Yes

When I held you near you were so sincere
Treat me like you did the night before

Last night is a night I will remember you by
When I think of things we did it makes me wanna cry

Were you telling lies, ah, the night before?
Was I so unwise, ah, the night before?
When I held you near you were so sincere
Treat me like you did the night before
Like the night before
