

Beatles, The, Savoy truffle

Beatles, The
The Beatles [White Album]
Savoy truffle
Creme tangerine and montelimat
A ginger sling with a pineapple heart
A coffee desert - yes you know its good news
But you'll have to have them all pulled out after the Savoy truffle

Cool cherry cream, nice apple tart
I feel your taste all the time we're apart
Coconut fudge - really blows down those blues
But you'll have to have them all pulled out after the Savoy truffle

You might not feel it now
But when the pain cuts through you're gonna know and how
The sweat is gonna fill your head
When it becomes too much you shout aloud

But you'll have to have them all pulled out after the Savoy truffle

You know that what you eat you are
But what is sweet now turns so sour
We all know Obladi-Blada
But can you show me where you are?

Creme tangerine and montelimat
A ginger sling with a pineapple heart
A coffee desert - yes you know its good news
But you'll have to have them all pulled out after the Savoy truffle
Yes you'll have to have them all pulled out after the Savoy truffle
