Beatles, The, Savoy truffle

Beatles, The
The Beatles [White Album]
Savoy truffle
Creme tangerine and montelimat
A ginger sling with a pineapple heart
A coffee desert - yes you know its good news
But you'll have to have them all pulled out after the Savoy truffle

Cool cherry cream, nice apple tart I feel your taste all the time we're apart Coconut fudge - really blows down those blues But you'll have to have them all pulled out after the Savoy truffle

You might not feel it now But when the pain cuts through you're gonna know and how The sweat is gonna fill your head When it becomes too much you shout aloud

But you'll have to have them all pulled out after the Savoy truffle

You know that what you eat you are But what is sweet now turns so sour We all know Obladi-Blada But can you show me where you are?

Creme tangerine and montelimat
A ginger sling with a pineapple heart
A coffee desert - yes you know its good news
But you'll have to have them all pulled out after the Savoy truffle
Yes you'll have to have them all pulled out after the Savoy truffle
