The night before
We said our goodbyes (ah the night before)
Love was in your eyes (ah the night before)
Now today I find you have changed your mind
Treat me like you did the night before

Were you telling lies (ah the night before)? Was I so unwise (ah the night before)? When I held you near you were so sincere Treat me like you did the night before

Last night is a night I will remember you by When I think of things we did it makes me wanna cry
