

Bebe Rexha, American Citizen (piosenka z serialu)

If you were born here
it's automatic

You got your membership right outta the gate
But if that ain't you
Yes, it's not too late

If you were born somewhere else and
Wanna make a life here

Gotta spend a few years, then pass a test
Take an oath saying you love this country the best

I can see a day when we will celebrate
We'll celebrate
We'll celebrate as we say

I am, i am an American Citizen
This ain't jus a place i am living in
I've got rights like electing a president
I am, i am an American Citizen
Our foundation's a nation of immigrants
i am an American Citizen
we the, the people
come from all over the world

we believe that there's nowhere better
we are strong when we stand together

and right now in a small town court house
history is being made
there's freedom's welling up in someone's eyes
cause their dreams is being realized

today could be the day wthat we
we celebrate /2x
we celebrate as we stay

I am, i am an American Citizen
This ain't jus a place i am living in
I've got rights like electing a president
I am, i am an American Citizen
Our foundation's a nation of immigrants
i am an American Citizen

'we you are a citizen
You get the right to vote
And you can speak your mind
Whatever floats your boat
Yoi can petition for close family memebbers
To come and live here and be together

You can run for office and lead your crew
But we got some responsibilites too

Defend tis country
If thwre's ever a need
Serve on a jury
Front tow seat
Suport and defenf the Constitution
The taxes you pay are contribution
For the freedom and liberty

My country tis of thee

I am, i am an American Citizen
This ain't jus a place i am living in
I've got rights like electing a president
I am, i am an American Citizen
Our fundation's a nation of immigrants
i am an American Citizen
