

Bebe Rexha, Don't Know

(Mustard on the beat, hoe)

I don't know about you
But I came here on my own
I don't know about you
But I came here to bust a move

Show my body
Ti-ti-time to take you there
Even with my baby popping, go nowhere
I don't know about

Thirty on my road will be over till the end tonight
I don't know da ba da denim da dadum day or die
Lately yeah, lately-ly, la-la-lately
Understand, understand, understand
Get you down, understand, understand, understand

Show my body
Ti-ti-time to take you there
Even with my baby popping, go nowhere
I don't know about

I don't know about
I don't know about
I don't know about you
I don't know about

I don't know about you
But I came here on my own
I don't know about you
But I came here to bust a move

Show my body
Ti-ti-time to take you there
Even with my baby popping, go nowhere
I don't know about

Thirty on my road will be over till the end tonight
I don't know da ba da denim da dadum day or die
Lately yeah, lately-ly, la-la-lately
Understand, understand, understand
Get you down, understand, understand, understand

Show my body
Ti-ti-time to take you there
Even with my baby popping, go nowhere
I don't know about
