

Bebe Rexha, I Got You

I can see you hurting
I've been through the same thing
Baby don't you worry
I got you
I just wanna know you
Tell me all your secrets
Looking like you need it

Cause I got you, you, you
I got you, I got you
/2x

We can get high,
We can get low,
Let me be your friend, baby let me in
Tell you no lies,
We can get lost
Take it all off,
Let me be your friend, baby let me in
Give it to me all

Tell me what you're thinking
Always over thinking
I just wanna love you
I got you
Don't have to be so guarded
Let's finish what we started
It's all I ever wanted

Cause I got you, you, you
I got you, I got you

We can get high,
We can get low,
Let me be your friend, baby let me in
Tell you no lies,
We can get lost
Take it all off,
Let me be your friend, baby let me in
Give it to me all

Cause I got you, you, you
I got you, I got you

I'd do the time for you
Tell a lie for you, baby, yes, that's what I'd do
I'd walk the line for you
Take a shot for you, yes, baby, that's what I'd do
Cause I got you
It's true
I'd die for you
I'd die for you
I got you

We can get high,
We can get low,
Let me be your friend, baby let me in
Tell you no lies,
We can get lost
Take it all off,
Let me be your friend, baby let me in
Give it to me all

Cause I got you, you, you

I got you, I got you
