

Bebe Rexha, Knees

[Verse 1]

Sitting in a parked car
We don't even fight no more
We don't even touch no more
Used to be my best friend
We don't even laugh no more
Barely even talk no more

[Pre-Chorus]

You wanna hold my hand then you won't
You say you love me then you don't
You keeping me running and running around

[Chorus]

If I'm not all you need
Then just set me free
I'm down on my knees
If you're not the one for me
Then just let me be
I'm begging you please

[Post-Chorus]

I'm praying for closed doors and open windows
I fly the way the wind blows
Don't be scared to leave
If I'm not all you need
Then just set me free
I'm down on my knees tonight

[Verse 2]

We used to go out on dates
Now you don't wanna go no place
It feels like we're stuck in one place
I wish I could read your mind
You said I gotta read your eyes
Oh, how they tell me lies

[Pre-Chorus]

You wanna hold my hand then you won't
You say you love me then you don't
You keeping me running and running around

[Chorus]

If I'm not all you need
Then just set me free
I'm down on my knees
If you're not the one for me
Then just let me be
I'm begging you please

[Post-Chorus]

I'm praying for closed doors and open windows
I fly the way the wind blows
Don't be scared to leave
If I'm not all you need
Then just set me free
I'm down on my knees tonight

[Bridge]

Set-set-set me free, let-let-let me be
I'm down down on my knees (I'm down down on my knees)
Set-set-set me free, let-let-let me be
I'm down down on my knees

[Chorus]
If I'm not all you need
Then just set me free
I'm down on my knees
If you're not the one for me
Then just let me be
I'm begging you please

[Post-Chorus]
I'm praying for closed doors and open windows
I fly the way the wind blows
Don't be scared to leave
If I'm not all you need
Then just set me free
I'm down on my knees tonight
