

# Bebe Rexha, Miracle

The voices talk  
But i don't listen  
Keep 'em locked up  
In my head

Cause  
Everything they ever said  
Is just a lie

No i am not far  
But i won't settle  
I won't revel  
In the hurt

Yeah  
I've been naptized by the dirt  
I testify

Cdn
