

Bebe Rexha, The Way I Are (Dance With Somebody)

[Intro: Bebe Rexha & Lil Wayne]

I'm sorry, I'm not the most pretty

I'll never ever sing like Whitney

Ooh, but I still wanna dance with somebody (Tunechi)

[Verse 1: Bebe Rexha & Lil Wayne]

So lets let all hearts bleed, 'til they turn to rust

Gonna live it up, 'cause it's dangerous

No, I don't wanna play the part (Amen)

I just wanna dance with somebody (Amen)

I just wanna dance with somebody (yeah)

[Chorus: Bebe Rexha]

I just wanna dance with somebody

I just wanna dance with somebody

It could be anybody, tell me, are you that somebody?

Don't matter who you are, just love me the way I are

I just wanna dance with somebody

I just wanna dance with somebody

[Verse 2: Lil Wayne]

I just wanna dance with somebody

But I could never ever dance like Bobby

You can dance, I'ma watch your body

I just wanna stand right behind it

I just want a chance with somebody

Pop a couple xans with somebody

Every time she dance it's exotic

Throw a bunch of bands arms get tired

I'm the God I just want a goddess

Gotta use a bedroom for a closet

Got a whole bedroom, on the private

I know her body inside, out science

Kiss both boobs right before I sign 'em

Can't dance but kinda grind 'em

Yeah, I be right behind her, spinal

We can turn this dance floor to a island

[Chorus: Bebe Rexha & Lil Wayne]

I just wanna dance with somebody (Mula)

I just wanna dance with somebody

It could be anybody, tell me, are you that somebody?

(Tunechi)

Don't matter who you are, just love me the way I are

I just wanna dance with somebody

I just wanna dance with somebody

[Bridge: Bebe Rexha]

Bloody noses, speeding cars

Lethal doses, desperate hearts

Roll it up 'cause we so ill

Heaven knows we love the thrill

No, I don't wanna play the part

I just wanna dance with somebody

I just wanna dance with somebody

[Chorus: Bebe Rexha & Lil Wayne]

I just wanna dance with somebody (Mula)

I just wanna dance with somebody

It could be anybody, tell me, are you that somebody?

(Tunechi)

Don't matter who you are, just love me the way I are

I just wanna dance with somebody

I just wanna dance with somebody

I just wanna dance with somebody
I just wanna dance with somebody
It could be anybody, tell me, are you that somebody?
Don't matter who you are, just love me the way I are
I just wanna dance with somebody
I just wanna dance with somebody
