Momma don't take me

Pulled by the drapes  
Spank my ass (?)

(???)

The (???)

Pulled by the drapes  
Split up my ass (?)  
(???)

(screaming)

Go with parents, say your teacher  
When something strange happens to you  
Tell your parents and your teacher  
When something strange happens to you  
Tell your parents and your teacher  
that something strange happens to you  
Tell your parents on your teacher  
(???)

Tell your parents and your teacher  
When something strange happens to you  
Tell your parents and your teacher  
When something strange happens to you

(some kind of whimpering)
