Come on motherfucker put your clothes on come on
You lousy puke
Fuck you
Why don't you call your mommy?
You're a fucking drunk

Acid casualty with a repossessed car
Vietnam vet playin' air guitar
It's just the shit kickin', speed takin'
Truck drivin' neighbors downstairs
Whiskey stained, buck toothed backwoods creep
Grizzly bear motherfucker never goes to sleep
It's just the shit kickin' speed takin'
Truck drivin' neighbors downstairs
Belly floppin' naked in a pool of yellow sweat
Screamin' "Jackass" with a wet cigarette
It's just the shit kickin', speed takin'
Truck drivin' neighbors downstairs
Oh my goodness
Psychotic breakdown double edged axe
Growin' hair like a shag rug on her greasy back
It's just the shit kickin', speed takin'
Truck drivin' neighbors downstairs
Oh my goodness
Come on honey feel the grease
Grease, grease
Come on honey feel the grease
Oh my goodness
Come on honey feel the grease
