

# Becky G, We Are Mexico

Double time, over time, two jobs,  
Working till our hands hurt,  
But we are never let to pay the bills.  
Said always follow your heart,  
make sure to keep your heart above,  
And I promise that I always will.  
That's my crib on a weekend,  
That's my familia,  
Talking in Spanglish,  
En español.  
I'm just here to let you know.

If you don't know, now you know,  
Wow, wow, wow!  
We Are Mexico.  
Wow, wow, wow!  
We don't matter where we go.  
Wow, wow, wow!  
Viva México.  
Wow, wow, wow!
