

Bednarek, Good Soul

I know you got a good soul, good soul, good soul x4

I'm so happy, coz I got you,
I,m so happy, oh baby you know its true (coz I'm thinking of you)
Coz I got you inside my mind, coz I got you inside heart,
Unconditional love is real, time to fullfil our destiny

I know you got a good soul, good soul, good soul x4

Good soul, good life, good meditation u must level up the vibe show appreciation,
Make it religion make it inspiration, universal luv to all the nation singing
Luv for a woman a child n creation, luv for mankind no more violation,
Good spirit people we just need round yah, no negativy no poser round yah.

Soul is a tresure so lets try to feel beaty inspirations from unity
One love for you, one love for me Alborosie tell dem what you think

Me tell you all the time dont keep uself inna frustration think positive al trough great tribulation
Tek what is best dont leave wrong impression not every soul get a good redemption
Good soul good heart good life u must live rasta always good deeds
We nah go forget but we nah go forgive all the badness they did to each one of we

I know you got a good soul, good soul, good soul x4

Good soul and inspiration, good soul, good vibrations, like unprompted mind.
Yah stay good, I know, you got good soul, I got a good soul, a good soul, a good soul

Bundulu people will neva find a place in zion, only the fierce with a heart of a lion
Amma still a dweet for races to stop cryen, rasta soul music is the key I aspire
I got a good soul, you got a good soul we gotta do good for our roots to grow,
Babilon is the price tosurciface, It was written inna di books of life.

I know you got a good soul, good soul, good soul x4
