Bee Gees, Alone Again

'Leaving' that's all you ever seem to say and I'm tired The wants you have me for have expired Sleeping and reading ev'ry book I can find to get my mind off In all I was a soul you were using I am alone again You can't believe the tears that I've shed I'm on a bound down train Don't desert me now or I am dead

People , the sun is going down on your heads so read your paper There's no one there for you to confide in It's instinct to always to have a shoulder to cry on And to rely on Someone there to share and to shine on I am alone again You can't believe the tears that I've shed I'm on a bound down train Don't desert me now or I am dead

I am alone again You can't believe the tears that I've shed I'm on a bound down train Don't desert me down or I am dead

repeat last verse and fade
