

Behemoth, Blow Your Trumpets Gabriel

I saw the virgin's cunt spawning forth the snake
I witnessed tribes ov Judah reduced to ruin
I watched disciples twelve dissolved by flame
Looked down on son ov god snuffed in vain

Blow your trumpets Gabriel!
As I beheld the bewilderment ov Eden
Break the bread...and crumb by crumb into the Leviathan's den...
Nations fall prey
Hail my return

Hosanna, hosanna
Tribe ov Judah decimate
Hosanna, hosanna
Root ov David eradicate

Hosanna, hosanna
Let wine ov Sodom fill our mouths
Hosanna, hosanna
May sin ov Gommorah grace our hearts
