Behemoth, Demigod

(music and lyrics by Nergal)

behold! children ov Cain all beings not ov reptilian form be upon them! spare none! mercy cast aside! those who feareth not my sacred blade shall be blessed

repent not!
Thou art man
god is no more
rise now above the weakness ov flesh
come forth! join ye the arsenals ov blasphemy
follow the One
who spurred Roman warring legions

rise up! o power from sea below all seas SIRIUS! DRACONIS! awake from everlasting dream! spirits ov abomination formless Thou hath appeared before me I am before all things

chthonic gods! those from beyond the stars commander ov hosts devour the flesh ov man may their weapons melt like wax may their tongues be torn apart may Apophis grind their bones may their ashes be scattered all around...
