

Bekay, A Journey

Half the world is sleeping,
Half the world's awake
Half can hear their hearts beat
Half just hear them break
I am but a traveler, in most every way
Ask me what you want...to know
What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way
When they're shining on my life
I can see a better day
I won't let the darkness in,
What a journey it has been.
I have been to sorrow
I have been to bliss
Where i'll be tomorrow,
I can only guess
Through the darkest desert
Through the deepest snow,
Forward always forward, i go..
What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way
When they're shining on my life
I can see a better day
I won't let the darkness in,
What a journey it has been...
Forward, always forward...
Onward, always up...
Catching every drop of hope
In my empty cup
What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way
When they're shining on my life
I can see a better day
I won't let the darkness in,
What a journey it has been...
What a journey it has been...
