Belinda, Dance with me

Follow me into my world

Let your worries fade with every

step you take

Baby whatcha' waiting for

Let the tango take control

Feel the music inside your soul (Oh)

My hand is out, just grab a hold

Watch time fade away

My arms will keep you safe

It's just you and me

Dancing in this dream

Whatever you do, don't wake me up

The feeling's real won't let it

stop, no

CHORUS

be afraid, take my hand

Forget the world

Will you dance, dance with me

Podémos bailar eternamente

Trust in me, take a chance

Feel the Tango

When you dance, dance with me

Podemos bailar eternamente

Now I have you next to me

Everything is how it should be (ooh yeah)

Baby, don't fight the feeling

We're floating on the clouds

If I could, I'd never come back down (no no)

Baby just keep on groovin' groovin'

As time fades away

My arms will keep you safe

It's just you and me

Dancing in this dream

WHatever you do, don't wake me up

The feeling's real, won't let it

stop, no

CHORUS

be afraid, take my hand

Forget the world

Will you dance, dance with me

Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango

When you dance, dance with me

Podemos bailar eternamente

Dance with me

(I'm dancing with you)

For this moment in time

(My dreams have come true)

My darling just dance with me

If only one night

CHORUS

be afraid, take my hand

Forget the world

Will you dance, dance with me

Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango

When you dance, dance with me

Podemos bailar eternamente
