

Bella, Nobody Loves Me

Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!

I'm not pessimistic, I'm just so sick without you!
I should let you be in your way,
But I'm not there, and I'm not getting nowhere!
Can't drink, all heart broke, look what you did to me!
I'm clapping nobody, no!
My tears I fear might be my destiny,
Why don't you rescue me, rescue me?

It's true you, nobody loves me!
No, nobody loves me the way you do!
It's true, nobody loves me,
No, nobody loves me, not like you!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!
How far will you take this?
How long will you, will you pervade with your mascot?
I know you're playing the game, but it's not fair!
And I'm not getting nowhere!
Can't smoke, heart broke look what you did to me!
I'm clapping nobody, no, no!
My tears I fear might be my destiny,
Why don't you rescue me, rescue me?

It's true you, nobody loves me!
No, nobody loves me the way you do!
It's true, nobody loves me,
No, nobody loves me, not like you!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!

Nobody loves like you,
No other kiss will do,
Just say you love me too!
Tell me baby!
Nobody loves like you,
It's just no use starting it awesome,
It's going all or nothing
Nothing, nothing,
Nobody, nobody, no!
Nobody, nobody, no!
Nothing, nothing,

It's true you, nobody loves me!
No, nobody loves me the way you do!
It's true, nobody loves me,
No, nobody loves me, not like you!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!
Yeah, ah, ah, ah, oh nobody loves me like,
Yeah, ah, ah, ah, oh nobody loves me!
