

Bella Poarch, Build a B*tch

This ain't build a bitch
You don't get to pick and choose
Different ass and bigger boobs
If my eyea are brown ore blue
This ain't build a bitch
I am filled with flaws and attitude
So if you need perfect
I am not built for you

Bob the Builder broke my heart
Tell me i need fixing
Said that i am justnuts and bolts
Lot of parts were missing
Curvy like a cursive font
Virgin and a vixen
That's the king of girl he wants
But he forgot

This ain't build a bitch
You don't get to pick and choose
Different ass and bigger boobs
If my eyea are brown ore blue
This ain't build a bitch
I am filled with flaws and attitude
So if you need perfect
I am not built for you

Boys are always plying golf
Looking for the barbie
They don't look like Ken at all
Hardly have a heart beat
Need someone who falls apart
Se he can play prince charming
If that's the kind of girl he wants
That he forgot

This ain't build a bitch
You don't get to pick and choose
Different ass and bigger boobs
If my eyea are brown ore blue
This ain't build a bitch
I am filled with flaws and attitude
So if you need perfect
I am not built for you
