

BEMY, Islands

where are we going
i tell you my love
i tell you later
I haven't decided yet!

it's cold outside
let's stay inside
that's
forget the others

I still want to lost the far away
so if you don't go, go
they don't
reach us for a while

we can go to the island
where
I don't know
I don't know

where are we going
i tell you my love
i tell you later
I haven't decided yet!

open the map
and find a track

it's cold outside
let's stay inside
that's
forget the others

I still want to lost the far away
so if you don't go, go
they don't
reach us for a while

we can go to the island
where
I don't know
I don't know
