Ben Kweller, Falling

Wind is cold alright back in Dallas When neon light from the building Lets you know you're home

You'd go way back when If you wanted to be my friend Do you call me I'll understand it's true

I don't feel like I'm falling No I don't feel like I'm falling No I don't feel like I'm falling down Just say hello to the ground

Bah bah bah bah bah

Wait there, I'll be right back Down in Times Square It's a heart attack All the feeling That makes you feel so new

Hey, trees fall and so do men Even the walls start caving in And you feel like there's no pretend for you

I don't feel like I'm falling No I don't feel like I'm falling No I don't feel like I'm falling down Just say hello to the ground

We could talk if days weren't so fast And mistakes just leave it so unsure Wanna hold you like never before Cause we're falling and I love you more and more

Do you feel like you're falling down Do you feel like you're falling down I don't feel like I'm falling falling falling down

I don't feel like I'm falling No I don't feel like I'm falling No I don't feel like I'm falling down Just say hello to the ground

Bah bah bah bah bah

I don't feel like I'm falling No I don't feel like I'm falling No I don't feel like I'm falling down

Do you feel like you're falling down Do you feel like you're falling down I don't feel like I'm falling falling falling Just say hello to the ground.
