

Ben Lee, Surrender

Well I have felt an angel's kiss
And I have seen the sweet sunset
I thought maybe I was this
I found out that I am that

Let go
Give in
Give up
Surrender

Let go
Give in
Give up
Surrender

All the things I long to touch
And all the tastes that seem so sweet
They don't matter all that much
When I'm falling at your feet

Let go
Give in
Give up
Surrender

Let go
Give in
Give up
Surrender

Oh yeah!
Come on!
No-one puts baby in the corner!
yeah!

Well I can't promise I won't fall
And I can't say I'm never scared
I can't promise much at all
But when you call me I'll be there

Let go
Give in
Give up
Surrender

Let go
Give in
Give up
Surrender

Let go
Give in
Give up
Surrender

Let go
Give in
Give up
Surrender

Yeah
Yeah
Yeah
