

# Benny Benassi, Hit My Heart (Radio)

Hey boy, it's not a game  
You are the one to blame  
My love is not your toy  
You better be careful boy..

You told a million lies to me  
One day you said goodbye baby  
I gave you one more chance  
So please tell me baby..

Are you gonna hit my heart?  
Are you gonna leave me once again?  
Baby, don't you hit my heart..

Are you gonna break my heart?  
Are you gonna make me cry again?  
Baby, don't you break my heart..

I'm not that kind of girl  
I know what i deserve  
My trust in you was wrong, darling  
I won't do it anymore

You swear that you still care for me  
You tell to come back again, honey  
But you is always the same  
Won't you tell me baby

Are you gonna hit my heart?  
Are you gonna leave me once again?  
Baby, don't you hit my heart..

Are you gonna break my heart?  
Are you gonna make me cry again?  
Baby, don't you break my heart..
