Tell me what your spirit says show me what you pray teach me every single thing I'll be your guide you are a prisoner looking for to be.. you can change your face but can't change your mind no matter what you do no matter what you do

Tell me what your spirit says show me what you pray teach me every single thing I'll be your guide you are a prisoner looking for to be.. you can change your face but can't change your mind no matter what you do Tell me what your spirit says show me what you pray teach me every single thing I'll be your guide you are a prisoner looking for to be.. you can change your face but can't change your mind no matter what you do no matter what you do no matter what you do no matter what you do

Tell me what your spirit says show me what you pray teach me every single thing

I'll be your guide

you can change your face
but can't change your mind
no matter what you do
no matter what you do
