

# Benny Benassi, Stop Go

Stop go back forward  
Come further take it slow  
Stop go back forward  
Come further take it slow  
Maybe if you make it in time  
You must just be mine  
Make a move and throw me a line  
Come and make me shine, fine  
Fine, fine  
Stop go forward back go - forward  
Come further take it slow  
Move your ass as you know stop go  
Take it  
Maybe if you make it in time  
You must just be mine  
Make a move and throw me a line  
Come and make me shine, fine  
Fine, fine  
La La La La La La La La  
Stop go back forward  
Come further take it slow  
Stop go back forward  
Come further take it slow  
Maybe if you make it in time  
You must just be mine  
Make a move and throw me a line  
Come and make me shine, fine  
Fine, fine  
Maybe if you make it in time  
You must just be mine  
Make a move and throw me a line  
Come and make me shine, fine  
Fine, fine
