

# Benton Paul, I only see you

In a crowded place, I see just your face  
And it looks so familiar  
I can't get to you, though I'm trying to  
There are just too many barriers  
But I only see you, in all that I do  
To the rest I am blind  
I don't want something new, other than you,  
For the rest of my life  
People talking lough, I can't hear the crowd  
You are so much more appealing  
I'll be honest girl, you've become my world  
And I'll spend my life exploring  
'Cause I only see you, in all that I do  
To the rest I am blind  
I don't want something new, other than you,  
For the rest of my life  
Promise I'll always be there for you  
If you give me the chance  
Promise I'll never be less than true  
And I'll only see you, in all that I'll do  
To the rest I'll be blind  
I don't want something new, other than you  
For the rest of my life
