

# Bernd Hall & Marco Zanfardino, Summer music (Ft. Gosia Andrzejewicz)

It's Friday night  
It's Friday night  
Some music?  
Feel free to lift your dreams  
This vibe is all you need  
All you need  
Some music?  
Feel free to lift your dreams  
This vibe is all you need  
All you need  
Is ooooo, oooo, ooo, you need  
Is ooooo, oooo, ooo, you need  
Need, need  
Is all you need  
Is all you need

Summer music  
Just like a morning light  
Is all I need to feel this night
