

# Best Coast, Summer Mood

Walking away  
Talking all day  
ooh I want you  
ooh I want you  
Walking away  
Talking all day  
ooh I want you  
ooh I want you  
But there's something about the summer  
There's something about the summer  
There's something about the summer  
Walking away  
Talking all day  
I can't stand this  
I can't stand this  
Walking away  
Talking all day  
I can't stand this  
I can't stand this  
But there's something about the summer  
There's something about the summer  
There's something about the summer  
Something about the summer  
That makes me moody
