Beth Hart, Immortal

tryin' to fly mountain high are you tryin' to be immortal come on here's your chance take your dance say goodbye to your mother just let your life shine now's the time what you've been given will do just fine just let your love come through your song for the people listen to the voices of your soul are you trying to be immortal i can see the future's been painted red white and blue i won't whisper if you won't you adn I kknow that it ain't true just let your life shine now's the time what you've been given will do just fine just let your love come through your song for the people listen to the voices of your soul they're tryin' to tell you what you already know are you trying of be immortal my life's a bitch while you're livin' on the bubble thought I saw right but now I think I'm seein' double are you tryin' to be immortal free the free you got to llook through your left eye what you gonna do what you gonna do the future's been painted red, white and blue
