

Beth Hart, Missing You

no more scars no more stones
no more words I can't..
take it no more
No more bullets No country
hypocrisy
can't take it no more
promises wash away like rain

I'll be missing you, I'll be missing you
No I, don't wanna fight No More
I'll be missing you

No more danger
your angers
the stranger I..
Can't take it no more
No more ruthless excuses
They're useless I..
can't take it no more
We're only children after all

I'll be missing you, I'll be missing you
No, I don't wanna fight No more
I don't wanna fight
I'll be missing you

We're only children after all, I swear I saw you needing me
We're only children after, children after all..
