

# Beth Hart, Summer Is Gone

Summer Is Gone

(Beth Hart)

Album: Immortal (1996)

Summer's gone -  
Days passing by again  
Chill rushes in sin  
Come take me away my friend  
I don't wanna take too long  
Grab my summer smile and I'll be along

(Chorus:)

'Cause we're gonna  
Ride, ride, ride  
Through the valley  
Roll, roll, roll  
In the fields, I swear  
Fly, fly, fly  
With the deepest part of our hearts

Are you ready to start  
Let's get the hell outta here  
Hell on outta here

And if I get lonely  
If I get thirsty for the sun  
I'll roll down my window  
I can feel the road, she's my only one  
I ain't gonna waste my time, no way  
Get me outta here and I'll bring the wine

(Chorus: Repeat)

Summer's gone -  
Days passing by again...
