

# Beth Hart, World Without You

Days 'n nights n' nights n' days,  
In silent shades of lazy grays  
I call your name, It's all the same  
Sitting staring at the ceiling,  
Dripping painted pictures peeling  
From my walls, The time just crawls

Was it yesterday? I don't know  
Was I dreaming? Or did I lose everything I believed in?  
If you could only see what I see  
Every time you leave

Imagine a world with no sky  
Imagine the ocean run dry  
Imagine and you'll see the view  
Of my world without you  
Imagine no sun and no rain  
Imagine that each day's the same  
It doesn't matter what I do  
In a world without you

Doers doing, Thinkers thinking,  
Lonely lover's lips are sinking  
In my tea, They're burning me  
Wasted weeping, Someone speaking  
In my head the bed is leaking tears again  
And there's no end

Was it yesterday? I don't know  
Was I dreaming? Or did I lose everything I believed in?  
If you could only see what I see  
Imagine a world with no sky,  
Imagine the ocean run dry
