

# Beyoncé, Bow Down / I Been On

I'm out that H-town  
Coming, coming down  
I'm coming down dripping candy on the ground  
H, H-town, town, I'm coming down  
Coming down dripping candy on the ground

I know when you were little girls  
You dreamt of being in my world  
Don't forget it , don't forget it  
Respect that, bow down bitches  
I took some time to live my life  
But don't think I'm just his little wife  
Don't get it twisted, get it twisted  
This my shit, bow down bitches

Bow down bitches, bow bow down bitches  
Bow down bitches, bow bow down bitches  
H-town vicious, h-h-town vicious  
I'm so crown, bow bow down bitches

I been on, I been on, I been on  
Tell me who gone take me off  
Take me off, take me off, take me off

Rolling high, leather and wood  
Keep it trill, that's what good  
Kiss my momma, show that love  
Pop them bottles in that club  
I heard your boo was talking lip  
I told my crew to smack that trick  
Smack that trick, smack that trick  
Guess what they did, smack that trick  
Gold everything, gold ass chain  
Gold ass rings, gold ass fangs  
You can see me stunt when you turn on ya screen  
You can see me stunt when you turn on ya screen  
I'm bigger than life, my name in the lights  
I'm the number one chick, ain't need no hype  
The capital b means, I'm 'bout that life  
The capital b means, I'm 'bout that life

I been on, I been on, I been on  
Tell me who gone take me off  
Take me off, take me off, take me off

I remember my baby hair with my dookie braids  
Frenchy's, Boudin in the parking lot  
Shout out to Willie D  
I was in that Willie D video when I was about fourteen, looking crazy  
Shout out Pimp C

Didn't do your girl but your sister was alright, damn  
In ya homeboy's Caddy last night  
Hold up, Texas trill
