Beyoncé, Dangerously in love

Baby I love you You are my life

My happiest moments weren't complete

If you weren't by my side

You're my relation

In connection to the sun

With you next to me

There's no darkness I can't overcome

You are my raindrop

I am the sea

With you and God, who's my sunlight

I bloom and grow so beautifully

Baby, I'm so proud

So proud to be your girl

You make the confusion

Go all away

From this cold and messed up world

I am in love with you

You set me free

I can't do this thing

Called life without you here with me

Cause I'm Dangerously In Love with you

I'll never leave

Just keep lovin' me

The way I love you loving me

And I know you love me

Love me for who I am

Cause years before I became who I am

Baby you were my man

I know it ain't easy

Easy loving me

I appreciate the love and dedication

From you to me

Later on in my destiny

I see myself having your child

I see myself being your wife

And I see my whole future in your eyes

Thought of all my love for you

sometimes make me wanna cry

Realize all my blessings

I'm grateful

To have you by my side

Every time I see your face

My heart smiles

Every time it feels so good

It hurts sometimes

Created in this world

To love and to hold

To feel

To breathe

To love you

Dangerously in love

Can't do this thing

I love you, I love you, I love you

I'll never leave

Just keep on loving me

I'm in love with you

I can not do

I cannot do anything without you in my life

Holding me, kissing me, loving me

Dangerously

I love you

Dangerously in love
