

Beyoncé, Deja Vu

Bee: Base

Jay: Uh...

B: Hi Hat...

Jay: Uh...

B: 808....

Jay: Uh....

B: Jay?

Jay: Uh Huh? Ready? Uh Huh

B: Let's Go Get Em!

Jay: Uh Huh, C'mon!

Jay:

I used to run 'base like Juan Pierre

Now I run the Bass, Hi Hat and the Snare

I used to bag girls like Birkin bags

Now I bagged B-- (B: Boy you hurtin' that!)

Brooklyn Bay where they birthed me at!

Now i be everywhere-the Nerve of Rap!

The audacity to have me whipping curtains back--

Me and B, she about to steam, STAND BACK

Verse 1:

Baby....

Seems like everywhere I go I see you

From your eyes, your smile

Its like i breathe you

Helplessly i reminisce

Don't want to compare nobody to you

Bridge:

Boy, I try to catch myself

But i'm out of control

You're sexiness is so appealing

I can't let it go

Oh...

Chorus:

Know that I can't get over you

Cause everything i see is you

And i don't want no substitute

Baby, i swear its Deja Vu

Know that i can't get over you

Cause everything i see is you

And i don't want no substitute

Baby, i swear its

Deja Vu

Verse 2:

Seeing

Things that i know can't be

Am i dreaming?

Thought i saw you walking past me

Almost called your name

Got a better glimpse and then i looked away

Its like i'm losing it

Bridge:

Boy, i try to catch myself

But i'm out of control

You're sexiness is so appealing

I can't let it go!

Oh Oh, Ah!

Oh, Oh-Ah!

Whoa OH!

Chorus:

Know that I can't get over you

'Cause everything i see is you

And i don't want no substitute

Baby, i swear its Deja Vu

Know that i can't get over you

Cause everything i see is you
And i don't want no substitute
Baby, i swear its
Deja Vu
Jay:
YES!
Hov's flow so unusual,
Baby girl you should already know
its H. O., light up the stroll
Cause u gon' need help tryna study my--
BOUNCE! flow, blow
What's the difference?
One, you take in vein while the other you sniffin'
Its still dough, po-po try to convict him
that's a no-go, no, still tippin'
Like 44's
Like i'm from the H-O-U-S-T-O-N,
Blow-in, so Chicago of him
Is he the best ever that's the argu-a-ment
I don't make the list don't be mad at me
I just make the hits like a factory
I'm just one-to-one nothin' after me
No DEJA VU, just me and my--OH!
Verse 3:
Baby i can't go anywhere
Without thinking that you're there
Seems like you're everywhere, its true
Gotta be having Deja Vu!
Cause' in my mind i want you HERE
Get on the next plane, I don't CARE
Is it because i'm missing you
That i'm having Deja Vu?
Bridge:
Boy, i try to catch myself
But i'm out of control
You're sexiness is so appealing
I can't let it go
Whoooooooo, Ohhhh....
Chorus:
Know that I can't get over you
'Cause everything i see is you
And i don't want no substitute
Baby, i swear its Deja Vu
Know that i can't get over you
'Cause everything i see is you
And i don't want no substitute
Baby, i swear its
Deja Vu
Know that I can't get over you
'Cause everything i see is you
And i don't want no substitute
Baby, i swear its Deja Vu
Know that i can't get over you
'Cause everything i see is you
And i don't want no substitute
Baby, i swear its
Deja Vu
Repeat to fade....
