

# Beyoncé, Flaws and all

I'm a train wreck in tha morning  
I'm a bitch in tha afternoon  
Every now in then without warning  
I can be really mean towards you  
I'm a puzzle yes in deed  
Ever complex in everyway  
And all the pieces arent even in the box  
And yet, you see the picture clear as day.

{Chorus}

I don't know why you love me  
And that's why I love you  
You catch me when I fall  
Accept me flaws and all  
And that's why I love you {3x}  
I neglect you when I'm working  
When I need attention I tend to nag  
I'm a host of imperfection  
And you see past all that  
I'm a peasant by some standards  
But in your eyes I'm a queen  
You see potential in all my flaws  
and that's exactly what I need.

{Chorus}

I don't know why you love me  
And that's why I love you  
You catch me when I fall  
Accept me flaws and all  
and that's why I love you{3x}
