Beyoncé, Halo

Remem-ber those walls I built?
Well, baby they're tum-bling down
And they didn't even put up a fight
They didn't even make a sound
I found a way to let you in
But, I never really had a doubt
Stan-ding in the light of your halo
I got my angel now

It's like I've been awa-ke-ned Every rule I had you bre-akin' It's the risk that I'm taking I ain't never gonna shut you out

Eve-ry-where I'm looking now I'm sur-ro-un-ded by your embrace Baby, I can see your halo You know you're my saving grace You're eve-ry-thing I need and more It's writ-ten all over your face Baby, I can feel your halo Pray it won't fade away

I can feel your halo, halo, halo I can see your halo, halo, halo I can feel your halo, halo, halo I can see your halo, halo... Halo, ooh ooh...

Hit me like a ray of sun
Bur-ning thro-ugh my dar-kest night
You're the only one that I want
Think I'm addic-ted to your light

I swore I'd never fall again But this don't even feel like fal-ling Gra-vity can't for-get to pull me back to the gro-und again

And It's like I've been awa-ke-ned Every rule I had you bre-akin' It's the risk that I'm taking I'm never gonna shut you out

Eve-ry-where I'm looking now I'm sur-ro-un-ded by your embrace Baby, I can see your halo You know you're my saving grace

You're eve-ry-thing I need and more It's writ-ten all over your face Baby, I can feel your halo I pray it won't fade away

I can feel your halo, halo, halo I can see your halo, halo, halo I can feel your halo, halo, halo I can see your halo, halo... Halo, ooh ooh...

I can feel your halo, halo, halo I can see your halo, halo, halo I can feel your halo, halo, halo I can see your halo, halo... Halo, ooh ooh... Halo, ooh ooh,... Halo, ooh ooh, oh...

Eve-ry-where I'm looking now I'm sur-ro-un-ded by your embrace Baby, I can see your halo You know you're my saving grace

You're eve-ry-thing I need and more It's writ-ten all over your face Baby, I can feel your halo Pray it won't fade away

I can feel your halo, halo, halo I can see your halo, halo, halo I can feel your halo, halo, halo I can see your halo, halo... Halo, ooh oh...

I can feel your halo, halo, halo I can see your halo, halo, halo I can feel your halo, halo, halo I can see your halo, halo... Halo, ooh oh...
