## Beyoncé, I Was Here

I wanna leave my footprints on the sands of time Know there was something that, something that I left behind When I leave this world I'll leave no regrets Leave something to remember So, they won't forget

I was here... I lived I loved I was here...

I did

I've done everything that I wanted And it was more than I thought it would be I will leave my mark so everyone will know I was here...

I wanna say I lived each day, until I died I know that I had something in somebody's life The hearts I have touched, will be the proof that I leave That I made a difference and this world will see

I was here...

I lived

I loved

I was here...

I did

I've done everything that I wanted

And it was more than I thought it would be I will leave my mark so everyone will know I was here...

I lived

I loved

I was here...

I did

I've done everything that I wanted

And it was more than I thought it would be I will leave my mark so everyone will know

I was here...

I just want them to know

That I gave my all

Did my best

Brought someone to hapiness

Left this world little better just because

I was here

I was here...

I lived

I loved

I was here...

I did

I've done everything that I wanted

And it was more than I thought it would be I will leave my mark so everyone will know

I was here...

I was here...

I lived

I loved

I was here...

I did

I've done

I was here...

I lived I loved I was here... I did I've done, I was hear...
