

Beyoncé, Radio

I be on the hotline
Like errday
Makin sure the DJ know what I want him to play
You know I got my top back and my beat loud
Rockin my stunnin shades and turnin up my radio
Turn up my radio
I think Im in love with my radio
Cause it never lets me go
And I fall in love with my stereo
Whenever I hear this sound
Oh, oh, oh, oh, oh
Whenever I hear this sound
Oh, oh, oh, oh, oh
Whenever I hear this sound
Im the only one that ever aloud to hang out in my room
With the door closed, we be alone
And mama never freaked out when she heard it go Boom
Cause she knew we were in the zone
Hold him in my arms and look out in the window
Under the moonlight
And hed be keeping me calm
So I never let him go
Hes got a place in my heart
I think Im in love with my radio
Cause it never lets me go
And I fall in love with my stereo, with my stereo
Whenever I hear this sound
Oh, oh, oh, oh, oh
Whenever I hear this sound
Oh, oh, oh, oh, oh
Whenever I hear this sound
When I get into my car I turn it up
Then I hear vibrations all up in my trunk
And the base will all be rattling through seats
And a crazy feeling starts happening
I get butterflies when I hear the DJ
Playing the stuff I like
And I fall deeper in love for every song he plays
Hes got a place in my heart
I think Im in love with my radio
Cause it never lets me go
And I fall in love with my stereo, with my stereo
Whenever I hear this sound
Oh, oh, oh, oh, oh
Whenever I hear this sound
Oh, oh, oh, oh, oh
Whenever I hear this sound
