

# Beyoncé, Rocket

Let me sit this ass  
On you  
Show you how I feel  
Let me take this off  
Will you watch me  
Yes mass appeal  
Don't take your eyes  
Don't take your eyes off it  
Watch it, babe  
If you like  
You can touch me baby  
Do you  
Do you wanna touch me baby  
Grab ahold, don't let go  
Let me know  
That you  
Ready

I just wanna show you now  
Slow it down  
Go around  
You rock hard  
I rock steady

So rock right up to  
The side of my mountain  
Climb until you reach my peak babe, my peak, the peak  
And reach right into the bottom of my fountain  
I wanna play in your deep end, your deep end, the deep  
Then dip me under where you can feel my river flowing flow  
Hold me 'til I scream for air to breathe  
Don't wash me over until my well runs dry  
Send all your sins all over me babe, over me

Rock it 'til waterfalls  
Rock it 'til waterfalls  
Rock it 'til waterfalls  
Bathe in these waterfalls

I do it like it's my profession  
I gotta make a confession  
I'm proud of all this bass  
Lemme put it in your face  
By the way  
If you need a personal trainer or a therapist  
I can be a piece of sunshine, inner peace, entertainer  
Anything else that you may read between the lines  
You and I create  
Rockets and waterfalls

So rock right up to  
The side of my mountain  
Climb until you reach my peak babe, my peak, the peak  
And reach right into the bottom of my fountain  
I wanna play in your deep end, your deep end, the deep  
Then dip me under where you can feel my river flowing flow  
Hold me 'til I scream for air to breathe  
Don't wash me over until my well runs dry  
Send all your sins all over me babe, over me

Hard rock steady rock hard rock steady  
Rock hard rock steady rock hard rock steady  
Don't you know that I give you  
The loving if you need it

I give you my word  
You can believe it  
Your love feels like  
All four seasons growing inside me  
Life has a reason  
Swimming  
My love, your love lifting  
Higher harder  
Got me screaming to the lord, boy  
Kiss me  
Pray we don't overflow  
Baby I know you can feel it pulse  
Keeping the peak of my waterfall  
Rock it baby, rock it baby 'til the water falls down  
Damn

And I can't help but love the way we make love  
Daddy, daddy  
Ooh child, ooh now  
Yes lord  
Damn baby  
Driving me cray  
Cray  
You ain't right for doing that to me daddy  
Even though I've been a bad (10/x) girl  
Tell me what you're gonna do about that  
Punish me  
Please  
Punish me please  
Tell me what you're going to do with all of this  
Ass  
All up in your face  
Yeah, hell yeah  
Ride it so deep  
Ooh my shit's so good it ain't even right  
I know I'm right  
Hell yeah you the shit  
That's why you're my equivalent  
So sexy

We're so much more than pointless fixtures  
Instagram pictures  
Cause soon boy, gonna rock that ching-ching-ching  
Baby boomers  
Sick little trends, tryna fit in  
Home is where the heart is  
Goddamnit I'm comfortable in my skin  
And you're  
Comfortable in my skin  
You look so comfortable in my skin  
Rockets and waterfalls
