

Beyoncé, Sandcastles

We built sand castles
The washed away
I made you cry
When I walked away
And although I promised
That I couldn't stay, baby
Every promise
Don't work out that way
Every promise
Don't work out that way

Dishes smashed on my counter
From our last encounter
Pictures snatched out the frame
Bitch I scratched out your name
And your face
What is it about you
That I can't erase, baby?
When Every promise
Don't work out that way
No, no, baby
Every promise
Don't work out that way

And your heart is broken
Coz I walked away
Show me your scars
And I won't walk away
And I know I promised
That I couldn't stay, baby, baby
Every promise
Don't work out that way
No, no, no!
Every promise
Don't work out that way
