

# Beyoncé, Save The Hero

I lay alone awake at night  
Sorrow fills my eyes  
But I'm not strong enough to cry  
Despite of my disguise  
I'm left with no shoulder  
But everyone wants to lean on me.  
I guess I'm their soldier.  
Well, who's gonna be mine  
Who's there to save the hero  
When she's left all alone  
And she's crying out for help.  
Who's there to save the hero  
Who's there to save the girl  
After she saves the world  
After she saves the world.  
I bottle all my hurt inside,  
I guess I'm living a lie.  
Inside my mind it's dead or die  
What can bring me back to life?  
A simple word, a gesture  
Someone to say you're beautiful  
Come find this buried treasure  
(?)  
Who's there to save the hero  
When she's left all alone  
And she's crying out for help  
Who's there to save the hero  
Who's there to save the girl  
After she saves the world  
After she saves the world.  
I've given too much of myself  
And now it's driving me crazy  
(I'm crying out for help?  
Sometimes I wish someone would  
Just come here and save me  
Save me from myself  
Who's there to save the hero  
When she's left all alone  
And she's crying out for help  
Who's there to save the hero  
Who's there to save the girl  
After she saves the world  
After she saves the world.
