

# Beyoncé, Stop Sign

I like to feel so high and  
you feel good feeling low  
I like my colours vivid  
and you paint your colors gone  
I like to see the world  
and you like your week in tone  
but I've been staying behind  
while you refused to go

(Chorus)

'Cause you're such a burden  
but you're the weight off of my shoulders  
'Cause even though I'm hurting  
it still feels like it's time I'm growing  
When I thought that we'd grow up and grow  
together the same time  
guess I passed you by at that old "Stop" sign  
At that old "Stop" sign  
You like to sleep all day and I like my minutes owed  
I like trips to the movies you watch TV all night long  
I like to go out dancing and you go out just to hang  
And I've been right beside you losing me  
and doing the same

(Chorus)

'Cause you're such a burden  
but you're the weight above my shoulders  
'Cause even though I'm hurting  
it still feels like it's time I'm growing  
When I thought that we'd grow up and grow  
together the same time  
guess I passed you by at that old "Stop" sign  
At that old "Stop" sign  
I looked around and baby you were gone  
Where did I lost you honey  
I even slowed down thought you'd follow  
But you took your own roads honey  
'Cause I've been traveling traveling traveling  
only to find you  
I'm making this trip alone  
And I've been staying behind  
while you refused to go

(Chorus)

'Cause you're such a burden  
but you're the weight above my shoulders  
'Cause even though I'm hurting  
it still feels like it's time I'm growing  
When I thought that we'd grow up and grow  
together the same time  
guess I passed you by at that old "Stop" sign  
At that old "Stop" sign
